Seminar: Team Project and assessments

I requested the professor to include me and three additional professional peers in the group. Oliver had added us to the group based on our request, which I had communicated along with our names and programming experience. Group 1 consisted of 5 people.

Details below:

1. Uvaraj Balasubramaniam
2. Ashok Kumar
3. Amit Pahuja
4. Shailender Kudachi
5. Maryam AlShibani
